

Overview

Children are introduced to potential dangers on the Internet in the form of the Webville Outlaws. They will watch a short animation clip and then discuss it.

Materials

- computer lab or computer connected to an LCD projector or television monitor
- "Webville Outlaws" visual aids
- "The Webville Outlaws" activity from "Clicky's Web World" program

Activity

If you are using the activity from "Clicky's Web World" enter "Teacher" for both first and last name, and select "The Webville Outlaws." If children are at separate computers, have them go to the NetSmartz Kids web site and watch "The Webville Outlaws" activity. Headphones are recommended.
