

# Science & Energy Team

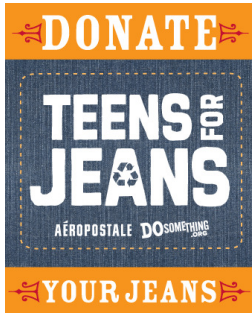

## Newsletter #4

Winter 2010

White Pine School

### Recycling Reduces Waste That Gets Buried in Landfills!

#### We Want to Recycle Your Used Blue Jeans!

##### *Teens for Jeans Program*

Please donate your old, gently used blue jeans for homeless children & teens

→Fact: 30% of the homeless are children & teens

#### Did You Get a New Cell Phone or Buy New Printer Ink?

##### *Recycle your old electronics and ink cartridges with us!*

We want your used ink & printer cartridges, cell phones, I Pods, MP3 players, + PDAs!

>Collection boxes for these items are located in the Commons with our team display.

### Energy Conservation Can Save You Money

#### On Your Energy Bills - Now That's a Sweet Deal!

*Our school is participating in the Tennessee Home Energy Project.*

*Please help us reach our goal!*

- We want 200 families to complete the home energy surveys by Valentine's Day!
- The home energy survey can be found at [www.energyright.com](http://www.energyright.com).
- Once you complete the home energy survey on-line, you will be provided with ideas that can help you reduce your energy costs.
- While supplies last, each family that completes the survey will receive a free Energy Conservation Kit (please provide a mailing address when requested by the on-line survey)

\*After completing your home energy survey at [www.energyright.com](http://www.energyright.com), please cut off the portion below and return it to your child's teacher or Mrs. Hughes:
