

Virtual Field Trips

Our class is taking *virtual* journeys via the Internet and World Wide Web. We will be visiting

On our trip we will go out of the classroom and into a new and different learning environment. A virtual field is the next best thing to being there! After our trip we will submit a travel journal.

Your travel journal may contain:

-  Your destination
-  Sites you saw
-  What you liked best and least
-  Whether you would return in the future!
